TruSpine Technologies plc
("TruSpine" or the "Company")

Further re Bridge Loan Facility and Letter of Intent

TruSpine Technologies Plc, the medical device company focused on the spinal (vertebral) stabilisation market, provides an update in relation to the announcement made on 1 February 2023 concerning the Bridge Loan and LOI entered into with the Investment Group to provide the Company with staged equity funding.

The Company requested the drawdown from the £200,000 Bridge Loan facility that was notified on 3 January 2023, however, these funds have not yet been received, the Company expects receipt of these funds shortly.

The subscription for Tranche 1 of the staged equity funding is expected to be subscribed for on or before 17 February 2023.

As previously notified, in the event that the Bridge Loan facility does not complete successfully and the equity drawdown funds are not received, the Company will need to raise further capital in the short term. The Company continues to carefully manage its working capital.

Capitalised terms used in this announcement shall, unless otherwise defined, have the same meanings as set out in the Company's announcement of 3 January 2023.

This announcement contains inside information for the purposes of the UK Market Abuse Regulation, and the Directors of the Company are responsible for the release of this announcement.
